AFT PLATFORM, TENDER GARAGE AND COCKPIT	
Approaching the yacht from the dock, the multifunctional gangway to port and an expansive swim platform equipped with a linear tender lift. A spacious sunbed conceals a garage capable of housing tenders up to 3.80m, which can be launched effortlessly via the submersible platform. Moving forward, the Bellini 68 reveals two large folding bulwarks and a generous dining area with comfortable vis-à-vis seating, under comfortable shade also by an extended sun awning.	
GANGWAY (Opt)	Multifunctional, 7+1 steps, 2,4 meters length
SUBMERSIBLE PLATFORM / TENDER LIFT (Opt)	330x140 cm (11x4,6 ft), submersible by 38 cm (1,3 feet), Max Load, hydraulic
TENDER GARAGE	For tenders up to 3,80 m (13 ft)
SHORE POWER / SHORE WATER INLET	N°2 CM8 / N°1

DINING TABLE	Foldable, up to 8 covers
DECK SHOWER (Opt)	Removable bridge column with shower head
ENGINE ROOM ACCESS	By a 65x65 cm (26x26 in) hatch
AUDIO SYSTEM	Amplified, N° 4 Coaxial speakers + Subwoofer
CEILING LIGHTS	N°7 Spotlights
SUN AWNING (Opt)	Slotted on sundeck roof and with 2 Carbon fibre poles

MAIN DECK	
Moving forward and up four steps, two entrances to the crew cabins are followed immediately by the large main salon door and, to starboard, the stairs leading to the sundeck. Wide side passages lead to the forward social area, featuring a large U-shaped dinette with a convertible table and an expansive sunpad with six extendable headrests. On starboard, a third pilot station and a pantograph door for easy access to helm station and salon and safe docking. At the far bow, the anchoring and mooring station is fully equipped, discreetly tucked away yet ready for immediate use.	
FUEL FILLS	N°1 Port, N°1 Stbd

WATER FILLS	N°1
DECK WATER PLUG	N°1 on the bulwark

MOORING AND ANCHORING	As above specified
AUDIO SYSTEM, BOW AREA	Amplified, N° 4 Coaxial speakers
SUN AWNING (Opt)	Sun Awning with 4 Carbon fibre poles

SUNDECK	
Accessed via a wide staircase, the Sundeck is an intimate and comfortable area, also equipped with a second helm station. As standard, it features a double pilot seat that leaves ample room for light, loose furniture, while the optional version includes a sunpad unit with an integrated bimini that also shades the helm station. Another option for shading this area is the awning kit with carbon poles.	
SUNDECK HATCH	150X64 cm (58x25 in), glazed
PILOT SEAT	Double, with equipped armrest
STORAGES	N°1 Aft storage

INT SPACES & EQUIPMENTS

MAIN DECK - SALON	
From the wide door that opens into the Main Salon, an open-plan space designed to blend comfort with functionality. It features a spacious sofa and—depending on the chosen layout—a dining or multifunctional table, a 55" TV, and a fully equipped galley featuring a full-height fridge/freezer, combi oven, induction hob, and dishwasher. Forward, the ergonomic helm station boasts integrated navigation systems and a built-in ice maker beneath the seating. The aft door is available in various configurations, while the expansive side windows can be fitted with a folding opening system. Additionally, a pantograph door enhances flow and accessibility for both the captain and guests. To port, a dedicated bar area with a cocktail counter and wine cooler elevates the social experience, located just steps away from the lower deck staircase.	
FUNCTIONS & ACCESSORIES	
MAIN SALON NET HEADROOM	2,07 m (6,8 ft)

LOWER DECK – LOBBY	
Descending the staircase - designed with two contrasting finishes to emphasize vertical movement - connects directly to the LD lobby. Staircase lighting integrates LED strips for step safety and wall-mounted lights for ambient and accent illumination. The LD lobby is conceived as a material-driven circulation corridor, characterized by raw and textured finishes that enhance tactile perception and spatial continuity. Lighting combines recessed spotlights with ambient lighting to ensure visual comfort and highlight materiality.	
FUNCTIONS & ACCESSORIES	
LOBBY NET HEADROOM	2,00 m (6,8 ft)
CORRIDOR DIMENSIONS	3228 x 650 mm
STAIRS WIDTH	690 mm
